- offers numerous sights: the medieval cathedral, two city gates, traditional Bächle (small water-filled runnels) and lots more.
- is famous for its world-renowned university, which boasts a 550-year history of scholarly excellence and a prominent position in international rankings.
- has become a role model for sustainable urban development worldwide as a Green City.
- is the gateway to the Black Forest. Mountains, lakes and streams invite you to linger and relax.
- is the wine capital of Baden and is surrounded by beautiful vineyards.
- lies at a tripoint - in close proximity to France and Switzerland. Half-day trips to the famous cities of Basel or Strasbourg are very easy to make.
- is also a suitable starting point for city trips to Paris, Zurich or Milan.
